A DAY FOR MEN

Finding Soulful Support in a Community of Men

With

Dr. Stephen J. Johnson

Executive Director, The Men's Center of Los Angeles

Saturday, February 6th, 2010 from 8:30 am to 4:30 pm

Holy Spirit Retreat Center, 4316 Lanai Road, Encino

For over 35 years, Dr. Stephen Johnson has been bringing out the best in people. For the past 25 years he has focused his work largely on men and their relationships. This is your opportunity to participate in a life enhancing experience with Stephen and his staff.

Participate in a unique one-day event where you will discover your true identity as a man in a powerful gathering with other men. This is an opportunity for you to invest in a day for exploring a variety of topics of interest to most men including family, relationships, physical health, emotional well-being, career, aging and spirituality. Discover the balance between work and play, between devotion and duty, between meeting our individual needs and serving our families and communities. Being a strong and powerful man today, while living in integrity and being grounded spiritually, is not an easy task. The demands often seem to outweigh the rewards. And yet, when men come together in recognition and appreciation for who they are, a feeling of equality surfaces. From that feeling friendship is born which grows into brotherhood. Standing together in brotherhood a new and very powerful energy emerges that restores the vitality of the man while simultaneously serving the community of all life. This is a tradition as old as the first gathering of warrior tribes. There is a need in the complexity of today, for a new gathering of spiritual warriors. In these times of war, conflict, chaos, terrorism and suffering, the future may seem uncertain. Dr. Stephen Johnson offers solutions to challenges that lie ahead within our homeland and in the world at large. It begins within each man and transmits outward to the greater community as we, together, give form to a new world of peace and compassion. Come experience a day of soulful adventure and community. Join in a gathering of men for a day of interactive communication involving group discussion and council. This event promises to revitalize personal passions and inspire an awareness of life's purpose!
