PRESENTS

Two Events for Men and Women with Leonard Orr

Friday, June 3, 2011 — 7:00 to 9:00pm • Saturday, June 4, 2011 — 8:30am to 4:30pm
at Holy Spirit Retreat Center, 4316 Lanai Road, Encino

On Friday, June 3rd from 7 to 9ish pm Leonard Orr will speak about "The Five Greatest Ideas of the Century" and on Saturday, June 4th from 8:30am to 4:30pm you will experience Conscious Connected Breathing which is one of the key elements to attaining Spiritual Purification.

Along with such folk heroes as Ram Dass, Fritz Perls and Timothy Leary, who said of Leonard's book, *Breaking the Death Habit*, "Leonard Orr's book is the most realistic and practical one in the field of conquering death."

Leonard is one of the originators and elders of what we term today, "The New Age Movement." The founder of Rebirthing Breathwork and the conscious breathing movement, he has published more than 20 books in more than a dozen languages. His International Rebirthing Movement has served over ten million people on six continents and he is a pioneer in the Physical Immortality Movement.

Dr. Stephen Johnson stated that, "Leonard is one of my most influential teachers and mentors. Our relationship commenced in the mid 70's when I joined a group assisting him during the pioneering stage of his birthing the Conscious Connected Breathing Process (aka Rebirthing). Through this work I was privileged to co-found the Los Angeles Rebirthing Community. Leonard has many unique ideas and concepts that he will share in his presentation on Friday, June 3rd and you will have the opportunity under his guidance to experience the transformational breathing process on Saturday. These events are open to both men and women. I'm giving you the heads up and suggesting that you register right away because the Saturday event will have a limited enrollment."
